Grand Knight's Address

Dear Brother Knights and friends, where should I begin? First, I will begin by introducing myself to those who do not know who I am. My name is Jeff A. Hudson. I'm married to a wonderful wife/mother Martha and two children Talitha (10) and Tabitha (9). We have been in Michigan for five years now, previously from Cincinnati, Ohio. I currently work at DC Cook nuclear power plant as a nuclear engineer. For those of you who know, the work hours especially during outages can be quite lengthy. So, time management for the Knights of Columbus will become challenging at times however, with the guidance of the Holy Spirit and with your help we can do great things. Since I became the Grand Knight in August of this year, thoughts of "Where is the council heading" have come to mind. The hall has been sold;

many active knights have left to begin a new council in St. Joseph. There are mixed, genuine feelings that are still affecting Brother Knights. Here is my take on this "Big picture": all that this has done has been to create new opportunities for council 1120. The new building expansion to St. Bernards Church is underway, and for those of you who don't remember the generous invitation that Father Bill offered council 1120 was to have our own K of C meeting area within the new facility. Father says that he would like to see the completion of this great undertaking completed by CHRISTMAS! What about the men who left council 1120? Think about this. What a wonderful way for these men to support their priests and church, to be able to make a difference within their local parish areas and to further branch out to

Chaplain's Address

My Brother Knights! As we enter a new season in our calendar year, we also enter a new and exciting season in our Liturgical Year. It is truly a time of harvesting, but also a time for giving and saying thanks. The Readings for this past Sunday reminded us that we must not only hear His Word, but must also spread that message, by word and deed. It went on to say that we must treat All peoples alike – the rich and the poor, the advantaged and the disadvantaged.... "justice for all".

My Brother Knights, we are an organization of "givers" and "doers"; let us truly watch for the many opportunities that Christ send our way during the coming months. May God continue to bless you and all you do - each and every day!

Truly yours in Christ!

Fr. Bill Jacobs, Chaplain

Pastor, SS John & Bernard Parish

Grand Knight (from page 1)
perform a common goal, “do God’s work”. So what does this mean for council 1120? Well, if August’s meeting attendance (9) was any indicator of where the council is heading, it’s time to wake up and rebuild/re-energize our council. For those who don’t know or remember where this meeting area has been relocated, it is in the **Social Gathering Hall at St. Bernards at 7:00 p.m., on the first Monday of every month.**

What I’m feeling right now is that I was made Captain of a sinking vessel and the ship is filling fast with water but just over the horizon is a brand new yacht, but how do we get to it? What I’m saying is, I need your help. The “your” in the last sentence really means YOU. There is no way I’m going to be able to reach some 200 members of council 1120 and accomplish charitable works if only 6 show up for meetings. There are so many areas that we need individual support.

If you decide to become a Leader/Chairman of an event, I want you to be able to run the event as YOU see fit. Come up with new ideas and just-do-it. Nothing is worse than doing nothing at all.

Vivat Jesus,

Jeff Hudson, Grand Knight
